NAHAS SCHOLARSHIP ENDOWMENT

"The very spring and root of honesty and virtue lie in good education."

Plutarch

AD 46-120

The Nahas Scholarship Program was established in the spring of 1987 by the late Robert T. Nahas, formerly of Carson City, Nevada. Mr. Nahas, a successful land developer, sponsored similar scholarship programs both in southwestern Idaho and in Alameda County, California, where a scholarship was established in his name following his retirement as President of the Oakland-Alameda County Coliseum Complex.

Due to the tremendous satisfaction Mr. Nahas enjoyed as a result of his association with the wonderful young men and women who have been the recipients of past scholarship awards, he decided to establish a similar scholarship program for students graduating from northern Nevada high schools who will be attending the University of Nevada, Reno.

The seed money to initiate this program was contributed by Mr. Nahas. Combined with other private contributions, the Endowment achieved self-sufficiency in March of 1997. Since its inception, funds from the Endowment have been used to assist two accomplished young students (one male and one female) annually to fulfill their dreams for higher academic and athletic achievement.

The scholarships now being awarded are valued at \$1,500 per year for four years. Recipients are chosen by the Endowment's Selection Committee consisting of representatives from Washoe County, Carson City and Douglas County. At the end of each academic year, the students must provide a satisfactory UNR transcript before receiving an award for the subsequent year.

The Nahas Endowment wishes all of its applicants the best of luck with their search for financial assistance and with all of their future academic pursuits.
