Bishop Manogue's New Baseball/Softball Indoor Practice Facility Grand Opening & Ribbon Cutting

Reno, Nev. (April 22, 2016) — After 10 years in the works, Bishop Manogue Catholic High School (BMCHS) is preparing for the Grand Opening & Ribbon Cutting of its brand new 9,000 square foot Indoor Baseball/Softball Practice Facility. Funding for the facility was made possible by passionate local donors of BMCHS, which considers its supporters the keystone for this project and future growth.

Planning for the facility began last spring and the project officially broke ground in September 2015, with construction completing in mid-January 2016. The facility features a complete heating system, 4 indoor batting cages, locker room and restrooms inside and out. Not only was this a labor of love for the coaches and students, it was also a necessity as the teams needed a place to practice throughout bad winter weather. "Being able to continue our practices despite wet weather certainly helps give us a competitive edge" remarks Andy Hughes, Athletic Director at Bishop Manogue Catholic High School.

"We hope parents and the community see this new facility as a commitment to continue to invest in the lives we've been entrusted with," says Jack Trainor, President of Bishop Manogue Catholic High School. "Our goal is to continue to provide opportunities for excellence, to ensure our students thrive academically, spiritually and athletically."

A Grand Opening and Ribbon Cutting will take place Friday, April 29th on location at the new Indoor Practice Facility at the Bishop Manogue Catholic High School campus at 2pm. Details and information below.
