Bishop Manogue will have its grand opening and dedication of its new fieldhouse facility at 3 p.m. Friday.

“The final facility has exceeded our expectations,” football coach Thomas Peregrin said in a news release. “Our students were overwhelmed; having a dedicated space for our players has instilled a sense of pride, ownership and continued motivation. Our coaches and parents were also tremendous in partnering with us to put forth the time and effort to finalize all of the details. We are very pleased our students will have the opportunity to gain a competitive edge with a facility of this nature.”

The fieldhouse is adjacent to the football field at Manogue.
