Student Name: \_\_\_\_\_ Grade: \_\_\_\_\_

**INSTRUCTIONS:**

1. Students may choose from the pre-approved agency list in Campus Ministry, or receive written pre-approval from Mr. Galli for any agency not on the list. Service projects with all parishes/churches are approved.
2. Students should call the agency to set up a date, time, and type of service they will be performing with the agency's volunteer coordinator. This is also a good time to ask questions about the type of service needed, any requirements to serve, or tips they would like to share.
3. Students should bring this service form with them on the day they work with the agency, fill it out completely and in detail, and obtain the supervisor's signature on the same day they completed their direct service. **Direct Service is hands-on experience with the people who are served by the agency.**
4. Students must turn in their completed forms to their Theology instructor by the cut-off dates provided. Please see your instructor for the dates.
5. For questions about Christian Service, please visit the Bishop Manogue website - ([www.bishopmanogue.org/campus-ministry/christianservice/](http://www.bishopmanogue.org/campus-ministry/christianservice/)), contact your student's Theology instructor, or contact Mr. Galli at (336-6010).
